

A love-struck Romeo sings the streets a serenade  
Laying everybody low with a love song that he made.  
Finds a streetlight, steps out of the shade  
Says something like "you and me babe, how about it?"

Juliet says "hey, it's Romeo, you nearly gave me a heart attack!"  
He's underneath the window she's singing "hey la, my boyfriend's back.  
You shouldn't come around here singing up at people like that...  
Anyway what you gonna do about it?"

Juliet, the dice was loaded from the start  
And I bet that you exploded into my heart  
And I forget I forget the movie song.  
When you gonna realize it was just that the time was wrong, Juliet?

Come up on different streets, they both were streets of shame.  
Both dirty, both mean, yes and the dream was just the same  
And I dreamed your dream for you and now your dream is real.  
How can you look at me as if I was just another one of your deals?

When you can fall for chains of silver,  
You can fall for chains of gold,  
You can fall for pretty strangers,  
And the promises they hold.  
You promised me everything, you promised me thick and thin, yeah!  
Now you just say "oh Romeo, yeah, you know I used to have a scene with him".

Juliet, when we made love you used to cry.  
You said "I love you like the stars above, I'll love you 'til I die".  
There's a place for us, you know the movie song.  
When you gonna realize it was just that the time was wrong, Juliet?

I can't do the talks, like the talk on the TV  
And I can't do a love song, like the way it's meant to be.  
I can't do everything, but I'll do anything for you,  
I can't do anything, except be in love with you!

And all I do is miss you and the way we used to be,  
All I do is keep the beat and the bad company.  
Now all I do is kiss you through the bars of a rhyme,  
Juliet, I'd do the stars with you any time!

Juliet, when we made love you used to cry.  
You said "I love you like the stars above, I'll love you 'til I die".  
There's a place for us, you know the movie song.  
When you gonna realize it was just that the time was wrong, Juliet?
